Art Unit: 1742

1. The following is an examiner's statement of reasons for allowance:

The sole remaining rejection is based on the Chen reference, which was published subsequent to the filing date of the present application, based upon a U.S. Application filed December 21, 2001. The Declarations by Messrs. Chou and Ciocirlan, filed June 30, 2006 and August 11, 2006, respectively, establish conception of the claimed invention prior to December 21, 2001. Further, those Declarations together with the Declaration of Mr. Small, filed June 30, 2006, establishes diligence from the time of conception up to the filing date of the present application. Thus, the rejection based on Chen is overcome.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
